Book File Details:

Review: This fifth volume of Mertons Journals hits a home run, an analogy Thomas Merton would probably relish. Ive read volumes 1 through 5, and here Merton hits his stride. The diarist in Merton contributes nearly everything within his vast sight and makes it important and touching. The lengthier review on this page covers the base ground admirably....

Description: The sixties were a time of restlessness, inner turmoil, and exuberance for Merton during which he closely followed the careening development of political and social activism – Martin Luther King, Jr., and the March on Selma, the Catholic Worker Movement, the Vietnam war, and the assassination of John F. Kennedy. Volume 5 chronicles the approach of Merton's...
